## **Summary:**

**Out of 599 individuals admitted to the NEXUS Program, there are currently 82 in the program; 517 have been released.**

**Of these 517 individuals, there were some with Disciplinary Issues, left Against Facility Advice, Medical Reasons, Expired/Discharged their Sentence, AWOL, and Suspended, leaving 410 individuals who completed Successfully.**

**Of that total, there have been 41 who have Completed Supervision, so there is data on 369. There has been one death, so the total data is on 368.**

**There have been 83 who have been revoked from their Follow Up Program making 22.6% who have been revoked.**

**There are a total of 288 Family Members who are currently in Follow Up Programs. We are currently awaiting replies/responses on the 26 Family Members who have not been included in the statistics.**

**This information is based upon the 262 most recent follow ups of those still in Aftercare.**

**Of the 262, 83% are in compliance of their Aftercare Program, leaving 17% in non-compliance.**
