

CCCS START PROGRAM VISITATION DRESS CODE

This code applies equally to men, women and all children age seven and above. In general, visitors must be dressed in a manner that will not distract, disturb or be offensive to other visitors, Offenders, or staff in the visiting areas. Decisions in this matter will be made by the Visiting Room Technician. If the visitor has a question about the decision, it will be referred to the Security Supervisor or higher. If, in their estimation, the clothing is not appropriate, the visitor will be asked to leave. The visitor will not be allowed a wrap to cover the problem in question. He or she must leave. The below listed items of clothing will not be allowed in the visiting area:

- a. Spandex tops or pants.*
- b. Short – shorts.*
- c. Transparent (any visibility through a top, skirt or pants).*
- d. Clothing without the proper undergarments (bra, slip and underwear).*
- e. Any skirt or dress higher than 2” above the knee.*
- f. All shirts and tops must cover the midriff area at all times.*
- g. Tank-type tops are not allowed as an outer garment. All tops, shirts or blouses must have sleeves. Must be worn with a bra (females) and must not be excessively low cut.*
- h. Any article of clothing worn into the visiting room may not be taken off when visiting. (Except coats, jackets, gloves, headgear, or other similar items of outer wear generally worn over clothing that is in compliance with this dress code).*
