WATCH WEST

Authorized Intake Personal Property List

Due to the increasing number of WATCH-West admissions, who are housed in county jails, MASC, etc. prior to arriving here via CCCS' Transportation Services, we are forced to limit the amount of personal belongings you will be allowed to bring in upon your initial intake. Other facilities and the transport vehicles themselves are not capable of storing or transporting large quantities of belongings. This does not mean that we will not allow the normal possessions for a Phase 1 Client; however, the additional items will need to be sent to you after you have arrived. We are sorry for this inconvenience, however, space is limited. Following is the list of items allowed up intake:

- Legal Papers
- Prescription Glasses
- Contact Lenses and supplies
- Address Book
- Holy Book and AA Big Book
- Wedding Rings
- Hygiene Products(see through bottles of liquids)
- 2 pair of Shoes or Boots
